'The First Time Ever I Saw Your Face'

by Roberta Flack

**Welcome**

**A Fallen Limb**

A limb has fallen from the family tree,  
I keep hearing a voice that says,  
Grieve not for me.

Remember the best times, the laughter, the song,  
The good life I lived while I was strong,  
Continue my heritage, I'm counting on you,  
Keep smiling and surely the sun will shine through.

My mind is at ease, my soul is at rest,  
Remembering all, how I truly was blessed.  
Continue traditions, no matter how small,  
Go on with your life, don't worry about falls  
I miss you all dearly, so keep up your chin,  
Until the day comes we're together again.

**Farewell**

**She Is Gone**

You can shed tears that she is gone  
Or you can smile because she has lived  
You can close you eyes and pray that she will come back  
Or you can open your eayes and see all that she has left

Your heart can be empty because you can't see her  
Or you can be full of the love that you shared  
You can turn your back on tomorrow and live yesterday  
Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone  
Or you can cherish her memory and let it live on  
You can cry and close your mind,  
Be empty and turn your back.

Or you can do what she would want:  
smile, open your eyes, love and go on
