Welcome

Poem: Gone But Not Forgotten - read by Stephen

Don't think of her as gone away her journey's just begun,
Life holds so many facets this earth is only one. Just think of her as resting
from the sorrows and the tears
In a place of warmth and comfort where there are no days and years. Think how she
must be wishing that we could know today
How nothing but our sadness can really pass away. And think of her as living in the
hearts of those she touched
For nothing loved is ever lost and she was loved so much.

Memories of Bridie

Music for reflection

'A Love That's Lasted Through The Years'

by Big Tom & Margo

Poem: Feel No Guilt

Feel no guilt in laughter, she knows how much you care.
Feel no sorrow in a smile that she's not here to share.
You cannot grieve forever, she would not want you too.
She'd hope that you would carry on the way you always do.

So talk about the good times and the way you showed you cared.
The days you spent together, all the happiness you shared.
Let the memories surround you, a word someone may say
Will suddenly recapture, a time, an hour, a day.
That brings her back as clearly as though she were still here,
And fills you with the feelings that she is always near.

For if you keep those memories you will never be apart
And she will live forever locked safe within your heart.

Farewell

The Lord's Prayer

Our Father who art in Heaven, hallowed be thy name.
Thy kingdom come, thy will be done
On earth as it is in heaven.
Give us this day our daily bread, and forgive us our trespasses
As we forgive those who trespass against us.
And lead us not into temptation, but deliver us from evil.
For thine is the kingdom the power and the glory,
Forever and ever, Amen

Poem: Look For Me In Rainbows

Time for me to go now, I won't say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;
Look for me in rainbows, high up in the sky.
In the evening sunset, when all the world is through,
Just look for me and love me, and I'll be close to you.
It won't be forever, the day will come and then
My loving arms will hold you, when we meet again.

Time for us to part now, we won't say goodbye.
Look for me in rainbows, shining in the sky.
Every waking moment, and all your whole life through
Just look for me and love me, as you know I loved you.
Just wish me to be near you, and I'll be there with you.
