**Reading: Feel No Guilt**

Feel no guilt in laughter; she'd know how much you care.

Feel no sorrow in a smile that she's not here to share.

You cannot grieve forever, she would not want you too.

She'd hope that you would carry on the way you always do.

So, talk about the good times and the way you showed you cared.

The days you spent together, all the happiness you shared.

Let memories surround you, a word someone may say

That suddenly recaptures, a time, an hour, a day.

That brings her back as clearly as though she was still here.

And it fills you with the feelings that she is always near.

For if you keep those moments, you will never be apart

And she will live forever locked safely in your heart.

**The Lord's Prayer**

Our Father, who art in Heaven, Hallowed be Thy Name.

Thy kingdom come, Thy will be done

On Earth as it is in Heaven.

Give us this day our daily bread,

And forgive us our trespasses

As we forgive those who trespass against us.

Lead us not into temptation

But deliver us from evil.

For Thine is the kingdom,

The power and the glory,

For ever and ever. Amen.

**Reading: When I'm Gone**

When I come to the end of my journey and I travel my last weary mile  
Just forget If you can, that I ever frowned and remember only my smile.

Forget unkind words I have spoken remember some good I have done  
Forget that I ever had heartache and remember I've had loads of fun.

Forget that I've stumbled and blundered and sometimes fell by the way  
Remember I have fought some hard battles and won, 'ere the close of the day.

Then forget to grieve for my going I would not have you sad for a day  
But in summer just gather some flowers and remember the place where I lay.

And come in the shade of the evening when the sun paints the sky in the west  
Stand for a few moments beside me and remember only my best.

---

**Reading: Afterglow**

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,  
Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun;

Of happy memories that I leave when life is done.
