'Love Of My Life'

by Queen

Welcome

Poem: 'Legacy Of Love'

A mum, grandma and sister too,
This is the legacy we have from you.
You taught us love and how to fight,
You gave us strength, you gave us might.

A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all, as only you can do
Not just as a mum and sister, but a grandma too.

For all of us you gave your best,
Now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts, we'll eternally keep

Farewell

Poem: 'Ladybird Dance'

Two little lady birds were sitting on my plants
I sat there and watched them as they began to dance.

Going two and fro as happy as can be
Dancing close together dancing just for me.

They were really happy having so much fun
Dancing on the plants underneath the sun.

When they finished dancing they sat there for a while
Then they flew away and left me with a smile
